

# ROOFS/TOPS

## A- Hard Roof\* (extended)

Compatible with Honda Pioneer 700 Accessory windscreens, Hard Roof covers front and rear seating areas of 4P Pioneer.

- Manufactured from ultrarugged polyethylene—extremely durable
- Superior weather protection
- Styled to integrate with vehicle design
- Uses Honda Tool-Less clamp system
- Includes mount points for Honda Accessory Light Bar
- Quick installation and removal

**OSR85-HL3-100** | \$399.95

## B- Hard Roof\* (short)

Designed to fit over cab area of 2P Pioneer, Hard Roof is compatible with all Honda Accessory windscreens.

- Manufactured from ultrarugged polyethylene—extremely durable
- Superior weather protection
- Styled to integrate with vehicle design
- Includes mount points for Honda Accessory Light Bar
- Quick-release attachment, installs in minutes without tools

**OSR85-HL3-101** | \$299.95

## C- Hard Roof\* (short)

Designed to fit over front forward cab area of 4P Pioneer, Hard Roof is compatible with all Honda Accessory windscreens. (Shown with Fabric Roof/Rear Panel rear section.)

- Manufactured from ultrarugged polyethylene—extremely durable
- Superior weather protection
- Styled to integrate with vehicle design
- Includes mount points for Honda Accessory Light Bar
- Quick-release attachment, installs in minutes without tools

**OSR85-HL3-101B** | \$299.95

## D- Fabric Roof/Rear Panel (rear section)

Designed to work with Hard Roof (short) OSR85-HL3-101B. One-piece design delivers superior performance in harsh conditions.

- Constructed of durable SurLast® material for maximum water repellence and excellent UV resistance as well as abrasion and mold and mildew resistance
- Fiber rods create a tight, custom fit to the roof while promoting water runoff
- Rear panel rolls up to increase airflow through cab
- Polished vinyl window resists cracking in extreme cold
- Combines with Hard Roof (OSR85-HL3-101B)
- Requires Honda Accessory Hard Roof (short) 4P, OSR85-HL3-101B

**Black** | **OSR85-HL3-223B** | \$229.95

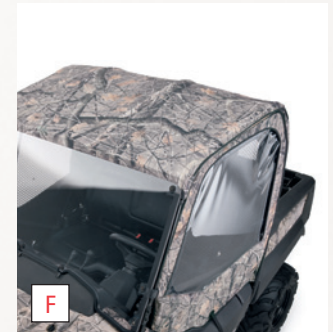

\*Weight of cab system components may increase risk of vehicle rollover.

## E- Fabric Roof/Rear Panel (black)

For superior performance in harsh conditions.

- One-piece roof is constructed of durable SurLast® material for maximum water repellence and excellent UV resistance as well as abrasion resistance
- Mold/mildew-resistant
- Fiber rods create a tight, custom fit to the roof while promoting water runoff
- Rear panel rolls up to increase airflow through cab
- Polished vinyl window resists cracking even at temperatures as low as -30°F
- Requires Honda Accessory Full Poly Windscreen, 08R73-HL3-A00 or OSR73-HL3-200 or 2-Piece Poly Windscreen, 08R72-HL3-A00 or OSR72-HL3-100

4P	<b>OSR85-HL3-222A</b>	\$424.95
2P	<b>OSR85-HL3-211A</b>	\$249.95

## F- Fabric Roof/Rear Panel (camo)

For superior performance in harsh conditions.

- One-piece design is made of durable 600-denier fabric for superior performance
- UV fade-resistant
- DWR (durable water repellent) for maximum water repellency
- Fiber rods create a tight, custom fit to the roof while promoting water runoff
- Exclusive Honda Phantom Camo™ design matches unit camo color
- Requires Honda Accessory Full Poly Windscreen, 08R73-HL3-A00 or OSR73-HL3-200 or 2-Piece Poly Windscreen, 08R72-HL3-A00 or OSR72-HL3-100

4P	<b>OSR85-HL3-221C</b>	\$449.95
2P	<b>OSR85-HL3-220A</b>	\$274.95

## G- Bimini Top

Durable top shuns the sun and helps protect occupants from harsh exposure.

- SurLast® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Designed to fit over front forward cab area
- Quick and easy to install

Black	<b>OSR85-HL3-322B</b>	\$99.95
-------	-----------------------	---------

## H- Bimini Top

Durable top shuns the sun and helps protect occupants from harsh exposure.

- SurLast® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Designed to fit over entire cab area
- Quick and easy to install

Black	<b>OSR85-HL3-322A</b>	\$149.95
-------	-----------------------	----------

# WINDSHIELD/WINDSCREENS

PIONEER 700

## A- Glass Windshield\*

Top-quality ASI laminated safety glass offers protection from wind, dust and trail debris while providing a more comfortable driving experience.

- Uses Honda Tool-Less clamp system
- Quick installation and removal
- Shown with Honda Accessory Wiper Kit

0SU95-HL3-105 | \$599.95

## B- Glass Windshield Wiper Kit

Add a measure of convenience with wipers that integrate seamlessly with Honda Accessory Glass Windshield.

- Requires installation of accessory Switch Plate/Volt Meter/Wire Harness

0SE10-HL3-500 | \$199.95

## C- Full Poly Windscreen\* (hard coat)

Premium hard coating protects windscreen against scratches, promotes longer life.

- Optical-grade polycarbonate construction enhances visual clarity
- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Uses Honda Tool-Less clamp system
- Quick installation and removal

08R73-HL3-A00 | \$449.95

## D- Full Poly Windscreen\* (optical)

Optical-grade polycarbonate.

- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Custom, screen-printed graphics complement vehicle styling
- Uses Honda Tool-Less clamp system
- Quick installation and removal

0SR73-HL3-200 | \$324.95

\*Weight of cab system components may increase risk of vehicle rollover.

## E- 2-Piece Folding Poly Windscreen\* (hard coat)

Two-piece pivoting windscreen allows for increased airflow while hard coating provides optimal scratch resistance.

- Optical grade polycarbonate construction enhances visual clarity
- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Uses Honda Tool-Less clamp system
- Quick installation and removal

08R72-HL3-A00 | \$529.95

## F- 2-Piece Folding Poly Windscreen\* (optical)

Two-piece pivoting windscreen allows for increased airflow while optical-grade polycarbonate enhances visual clarity.\*

- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Custom, screen-printed graphics complement vehicle styling
- Uses Honda Tool-Less clamp system
- Quick installation and removal

08R72-HL3-100 | \$429.95

## G- Wind Deflector\*

Protection from dust, dirt and debris without sacrificing airflow.

- Optical-grade polycarbonate construction enhances visual clarity
- Noncracking, nonyellowing material for excellent impact resistance
- Modular design for a variety of vehicle configurations
- Custom, screen-printed graphics complement vehicle styling
- Uses Honda Tool-Less clamp system
- Quick installation and removal

08R71-HL3-A00 | \$184.95

# DOORS

## A- Hard Front Doors\*

Heavy-duty doors are manufactured from ultrarugged polyethylene—extremely durable

- Automotive-style locking push-button handles and latches add security, convenience
- Tempered glass, sliding windows help increase airflow
- Styled to integrate with vehicle design
- Works in a variety of vehicle configurations
- Accepts Honda Accessory side mirrors
- Includes right and left doors
- Quick installation and removal

OSU95-HL3-104 | \$1,599.95

## B- Fabric Doors (black)

Precision-manufactured aluminum door frames are lightweight and attractive and integrate easily with standard half doors.

- Durable SurLast® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Double-zippered vinyl windows roll down to increase airflow through cab
- Polished vinyl windows are resistant to cracking in extreme cold
- Includes right and left doors
- Quick installation and removal

Front	OSR90-HL3-211A	\$524.95
Rear	OSR90-HL3-211B	\$524.95

\*Weight of cab system components may increase risk of vehicle rollover.

## C- Fabric Doors (camo)

Precision-manufactured aluminum door frames are lightweight and attractive and integrate easily with standard half doors.

- One-piece design is made of durable 600-denier fabric for superior performance
- UV fade-resistant
- DWR (durable water treatment) for maximum water repellency
- Fiber rods create a tight custom fit to the roof while promoting water runoff
- Exclusive Honda Phantom Camo™ design matches unit camo color

Front	OSR90-HL3-221A	\$554.95
Rear	OSR90-HL3-211C	\$554.95

## D- Side Mirror Kit\*

Door-mounted mirrors integrate with Honda Accessory Hard Doors to increase driver's visibility.

- Adjustable positioning
- Includes right and left mirrors

OSV05-HL3-202	\$99.95
---------------	---------

\*Not intended to on road use.

# REAR PANELS

PIONEER 700

## A- Hard Rear Panel\*

Integrates with Honda Accessory Hard Roof on Pioneer 4P.

- Manufactured from ultrarugged polyethylene—extremely durable
- Modular design integrates seamlessly with other Honda Accessory cab components
- Tempered glass, vented sliding window increases airflow

Combines with Short Hard Roof	OSU95-HL3-102B	\$599.95
Combines with Extended Hard Roof	OSU95-HL3-104B	\$599.95

## B- Hard Rear Panel\*

Integrates with Honda Accessory Hard Roof on Pioneer 2P.

- Manufactured from ultrarugged polyethylene—extremely durable
- Modular design integrates seamlessly with other Honda Accessory cab components
- Tempered glass, vented sliding window increase airflow

OSU95-HL3-102	\$599.95
---------------	----------

## C- Fabric Mid/Rear Panel

Well-made, attractive panels help keep out inclement weather and enhance comfort of occupants.

- Durable SurLast® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Zippered vinyl window rolls down to increase airflow through cab
- Polished vinyl window is resistant to cracking in extreme cold

OSR95-HL3-211A	\$119.95
----------------	----------

## D- Fabric Rear Panel

Occupants enjoy superior protection from wind and weather.

- Durable SurLast® material is water-repellent and provides superb UV and abrasion resistance as well as mold/mildew resistance
- Rear panel rolls up to increase airflow through cab
- Polished vinyl window resists cracking in extreme cold

OSR95-HL3-211B	\$109.95
----------------	----------

\*Weight of cab system components may increase risk of vehicle rollover.

## E- Winch

Warn® heavy-duty winch has 4,000 lb (1,814 kg) of pulling force with best-in-class linespeed.

- Rugged, reliable, all-metal geartrain
- Fully sealed drivetrain keeps out elements
- Disc brake for the ultimate in winch control
- Requires Honda Accessory Winch Mount Kit
- Limited lifetime warranty

Winch	08L74-HL3-A02	\$439.95
Winch Mount Kit	08L77-HL3-A00	\$269.95

E

## F,G,H- Plow

Specially coated blade is durable and corrosion-resistant and made to get the job done.

- Shock-and impact-resistant
- Adjustable gravel skids to control plowing level
- Smooth blade-angle adjustment
- Requires Honda Accessory Plow Push Tube Set and Honda Accessory Plow Mount Kit
- Requires lifting device such as Honda Accessory Winch/Winch Mount Kit

Plow Blade 72"	08L75-HL3-A01	\$369.95
Plow Push Tubes	08L76-HL3-A01	\$479.95
Plow Mount Kit	08L70-HL3-A00	\$149.95

F

## I- Drawbar

Allows installation of 1 7/8" or 2" hitch ball.

08L90-HL1-100A	\$44.95
----------------	---------

## J- Hitch Ball

1 7/8" hitch ball. Includes nut and lock washer.

08L90-HL1-100C	\$14.95

# PROTECTION/CARGO

## A- Front Bumper

Strong, steel construction adds heavy-duty protection for vehicle front end.

- Durable, gloss-black, powder-coat paint
- Factory mount points
- Quick and easy to install

08P76-HL3-A00 | \$399.95

## B- Rear Bumper

Strong, steel construction adds heavy-duty protection for vehicle rear end.

- Durable, gloss-black, powder-coat paint
- Factory mount points
- Quick and easy to install

08P75-HL3-A00 | \$224.95

## C- Aluminum A-Arm Guards (front)

Set of two lightweight, brushed-aluminum plates provides added protection for front drive shafts.

- Added protection from trail hazards, such as rocks and logs
- Quick and easy to install

08P73-HL3-A00 | \$149.95

## D- Aluminum A-Arm Guards (rear)

Set of two lightweight, brushed-aluminum plates provides added protection for rear drive shafts.

- Added protection from trail hazards, such as rocks and logs
- Quick and easy to install

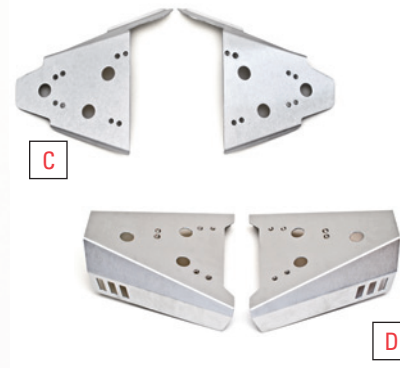

08P74-HL3-A00 | \$149.95

## E- Cab Frame Cargo Bag

Attaches to cab frame with hook-and-loop straps and locking buckles to keep bag secure, items at hand.

- Seven convenient, zippered compartments
- Zipper pulls for easy access
- Made of durable polyester
- Honda logo shows pride of ownership

0SL57-HL3-101 | \$69.95

**F- Rear Cab Net** 

Practical accessory looks cool on the Pioneer, helps occupants stay cooler.

- Allows maximum airflow through cab
- Off-road performance styling
- Quick and easy to install, no special tools required

0SR95-HL3-200B	\$99.95
----------------	---------

**G- Bed Mat** 

Tight, contoured fit helps keep mat from slipping and sliding.

- Manufactured from rugged, nonslip, specially vulcanized rubber compound
- Pioneer logo shows pride of ownership

4P	OSP42-HL3-201	\$94.95
2P	OSP42-HL3-101	\$94.95

**H- Bed Extender** 

U-shape design maximizes cargo capacity. Strong, durable construction handles almost any job.

- Flips forward in the bed allowing tailgate to close when not in use
- Gloss-black, powder-coat paint adds a stylish, durable finish
- Quick and easy to install

08L73-HL3-A00	\$249.95
---------------	----------

**I- Poly Bed Liner** 

Sturdy liner helps protect the Pioneer's bed and rear seat area from scratches, dents and dings.

- Manufactured from ultrarugged polyethylene—extremely durable
- Molded side slots enable use of partitions
- Allows for easy unloading of dirt and other materials
- Quick installation and removal

OSP43-HL3-101	\$229.95
---------------	----------

# INTERIOR

## A- Horn Kit

Easy-to-install horn assembly. Requires Honda Accessory Sub-Harness (08Z02-HL3-A00).

08P72-HL3-A00 | \$79.95

## B- Rearview Mirror\*

Panoramic mirror provides excellent rear visibility.

- Secure and rigid mount
- Uses Honda Tool-Less clamp system
- Quick installation and removal

0SV05-HL3-201 | \$89.95

## C- Heater

Custom-fit heater helps keep occupants comfortable in cold weather.

- High-efficiency 153-CFM blower delivers maximum warmth
- Four adjustable vents, two dash/two floor
- 2-speed fan switch
- Includes all mounting brackets and hardware
- Requires Honda Accessory Switch Plate/Volt Meter/Wire Harness
- Includes switch

0SE01-HL3-101 | \$549.95

## D- Rubber Floor Mat

Tight, contoured fit helps keep mat in place.

- Manufactured from rugged, nonslip, specially vulcanized rubber compound
- Pioneer logo shows pride of ownership

0SP63-HL3-101 | \$69.95

\*Not intended to on road use.

## E- Front Seat Covers (camo)

- Quick and easy to install, no special tools required

---

OSP32-HL3-201 | \$149.95

## F- Rear Seat Covers (camo)

Fit over standard rear seat/seatback and headrests.

- Quick and easy to install, no special tools required

---

OSP32-HL3-201B | \$119.95

# ELECTRICAL

## A- Auxiliary Lights

Pair of 4" lights features 3-watt Cree LEDs, providing exceptional performance with minimal battery draw.

- Produce a combined 2,400 lumens in a flood pattern
- Rugged aluminum powder-coated housing
- Durable polycarbonate lens
- IP68 rated—waterproof, submersible
- Requires Honda Accessory Switch Plate/Volt Meter/Wire Harness
- Includes mounting hardware to Honda Accessory windshield
- Additional accessory clamps available for mounting to cab frame or Honda Accessory bumper
- Includes switch

0SV31-HL3-201 | \$299.95

## B- Switch Plate/Volt Meter/Wiring Harness

- All-in-one system consolidates your Honda Accessory electrical needs into a single source
- Switch plate mounts conveniently on dash, accommodates 4 Honda Accessories
- Precision Volt Meter monitors power usage, includes customizable HI/LO settings
- Plug-and-play wire harness designed specifically for your Pioneer for quick, easy installation
- Included fuse box mounts conveniently under the hood
- Does not include switches

OSA30-HL3-100 | \$299.95

### Auxiliary Sub Harness

Required for installation of Honda Accessory Horn Kit and/or Honda Accessory Back-Up Alarm. (Not shown.)

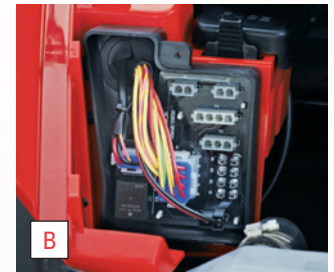

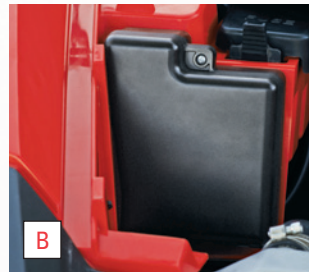

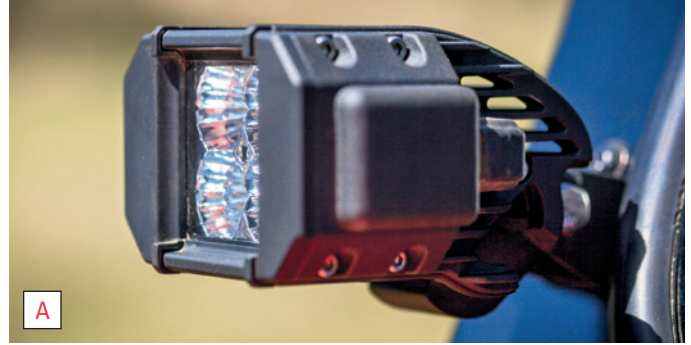

08Z02-HL3-A00 | \$5.95

## C- Light Bar

Stylish 14" light bar features 3-watt Cree LED lights, providing exceptional performance with minimal battery draw.

- Produces 3,600 lumens in a spot pattern
- Rugged aluminum, powder-coated housing
- Durable polycarbonate lens
- IP68 rated—waterproof, submersible
- Requires Honda Accessory Switch Plate/Volt Meter/Wire Harness
- Includes mounting hardware to Honda Accessory Hard Roofs
- Additional accessory clamps available for mounting to cab frame or Honda Accessory Bumper
- Includes switch

0SV31-HL3-301 | \$369.95

## D- Light Bar/Aux Lights Clamp

Required when mounting Honda Accessory Light Bar/Auxiliary Lights to bumper (upper and lower tubes) and cab frame.

- OSV31-HL3-201A Fits lower bumper tubes (38mm)
- OSV31-HL3-302A Fits cab frame (41mm)
- OSV31-HL3-301B Fits upper bumper tubes (44mm)

38 mm	OSV31-HL3-201A	\$29.95
41 mm	OSV31-HL3-302A	\$29.95
44 mm	OSV31-HL3-301B	\$29.95

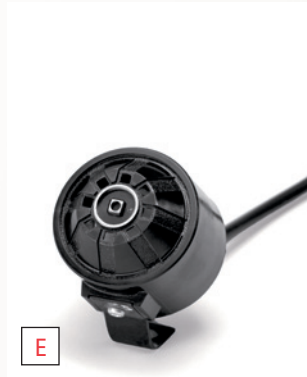

D

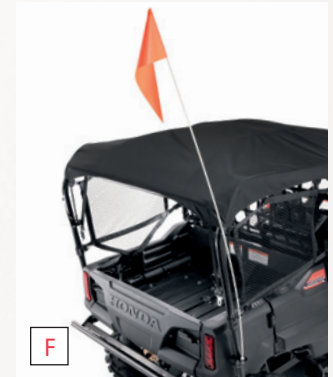

## E- Back-Up Alarm\*

Automatically activates a loud beep whenever Pioneer is put into reverse. Requires Honda Accessory Sub-Harness (08Z02-HL3-A00)

08V70-HL3-A01	\$89.95
---------------	---------

E

F

## F- Flag with Mount

Honda-branded Flag Kit.

- Uses Honda Tool-Less Clamp
- Easy installation

OSR95-HL3-F10	\$79.95
---------------	---------

## G- Storage Cover
